**Notes to editors:**

Novera is a leading independent UK renewable energy group, with a portfolio of landfill gas, waste and wind assets and projects. The Company has 124MW of renewable power generation at 58 sites across the UK and is developing a portfolio of wind farms with a target capacity of 250MW by 2011.

In addition, planning approval has been granted for Novera to build the 10MW East London Sustainable Energy facility at the Ford Motor Company site in Dagenham.
